Correction for 'CO₂-promoted hydrogen production in a protonic ceramic electrolysis cell' by Nikolay Danilov *et al.*, *J. Mater. Chem. A*, 2018, 6, 16341–16346.

The authors regret an error in the Fig. 2(d) caption. The text " $U = 1.3$ V" in the published version should instead read " $U = 1.6$ V". The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
