Correction for 'Biodegradable nanoparticles bearing amine groups as a strategy to alter surface features, biological identity and accumulation in a lung metastasis model' by Diletta Esposito *et al.*, *J. Mater. Chem. B*, 2018, 6, 5922–5930.

The authors regret that affiliation d was listed incorrectly in the original manuscript. Affiliation d should have been listed as:

<sup>d</sup>Animal Facility Unit, Istituto Nazionale Tumori, IRCCS, Fondazione Pascale, 80131, Naples, Italy.

The full corrected affiliation list, with amendments made to the title and address of affiliation d, is shown below.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
