The authors regret that the incorrect affiliation was used for one of the authors, Ning Wang, on the original manuscript. The corrected list of authors and affiliations for this paper is shown above.

The author biography of Ning Wang was also incorrect. The corrected Biography is shown below.

Dr Ning Wang, currently a Professor at the *State Key Laboratory of Marine Resource Utilization* in South China Sea, Hainan University, China, obtained a PhD degree in Materials Science and Engineering from Tsinghua University, China (2007) and received two-year (2008–2010) postdoctoral training at the Department of Applied Chemistry at Nagoya University, Japan. Dr Wang is currently an executive deputy director of the *State Key Laboratory of Marine Resource Utilization* in South China Sea, Hainan University. His current research focuses on the fundamental science of nanomaterials applied in energy-related materials and devices.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
