Correction: Copper-catalyzed direct C–H phosphorylation of N-imino isoquinolinium ylides with H-phosphonates

Xin-Chen Zhan, Yu-Yuan Hei, Jian-Lan Song, Peng-Cheng Qian, Xing-Guo Zhang* and Chen-Liang Deng*

The authors regret that in the introduction important references were omitted that reported additional synthetic methods for the construction of C(sp²)–P bonds, to access functionalized phosphorus-containing isoquinolines. The additional references are given below.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
