Retraction of ‘Anomalies in growth of electrodeposited Ni–Fe nanogranular films’ by T. I. Zubar et al., *CrystEngComm*, 2018, 20, 2306–2315.

We, the named authors, hereby wholly retract this *CrystEngComm* article due to extensive overlap with text, data and figures published in ref. 1, which means that this *CrystEngComm* paper is redundant. All the figures and tables in this *CrystEngComm* article have been reproduced from ref. 1.

The authors would like to apologise for any inconvenience to readers.
