Correction: Role of conformation in crystal formation and transition of polybutene-1

Xing Qiu, Cunliang Hu, Jingqing Li,* Dinghai Huang and Shichun Jiang*

Correction for 'Role of conformation in crystal formation and transition of polybutene-1' by Xing Qiu *et al.*, *CrystEngComm*, 2019, DOI: 10.1039/c9ce00576e.

In the Experimental section of the published article, the weight-average molecular weight of the IPB-1 sample is incorrect. The correct weight-average molecular weight of IPB-1 is $1.88 \times 10^5 \text{ g mol}^{-1}$.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
