Correction for 'Preconcentration of U(VI) ions on few-layered graphene oxide nanosheets from aqueous solutions' by Guixia Zhao *et al.*, *Dalton Trans.*, 2012, **41**, 6182–6188.

The authors regret that the AFM image in the Fig. 1b of the above mentioned paper was incorrect. We had used the image of another kind of graphene for the few-layered graphene oxide. Thus hereby, the AFM image has been corrected below. The correction has no effect to the discussion and main conclusion.

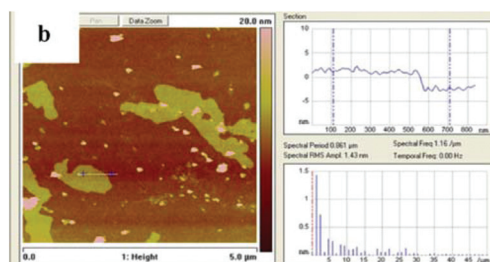

Fig. 1 (b) AFM image of few-layered graphene oxide nanosheets.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
