The authors apologize for incorrect information about a compound in the Introduction was published in their original submission. The following sentence in page 1 "Interestingly, we synthesized a new polymorph of Na_2TeO_4 which contains infinite chains of edge-sharing Te^{6+}O_6 trigonal prisms.⁷" and reference 7 in p. 5 is incorrect and should be deleted.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
