Correction: Environmental transformation of natural and engineered carbon nanoparticles and implications for the fate of organic contaminants

Gabriel Sigmund,^{ab} Chuanjia Jiang,^c Thilo Hofmann^{*b} and Wei Chen^{*c}

DOI: 10.1039/c9en90007a

rsc.li/es-nano

Correction for 'Environmental transformation of natural and engineered carbon nanoparticles and implications for the fate of organic contaminants' by Gabriel Sigmund *et al.*, *Environ. Sci.: Nano*, 2018, 5, 2500–2518.

The phrase “and by the Austrian Science Fund (FWF) project number P 27689-N28.” was omitted from the Acknowledgements. The corrected Acknowledgements section is shown below:

“This project was supported by the National Natural Science Foundation of China (Grant 21425729), the Ministry of Science and Technology of China (Grant 2014CB932001), the Fundamental Research Funds for the Central Universities, and the 111 Program of the Ministry of Education of China (T2017002), and by the Austrian Science Fund (FWF) project number P 27689-N28.”

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
