Correction: In search of bioinspired hydrogels from amphiphilic peptides: a template for nanoparticle stabilization for the sustained release of anticancer drugs

Radha Rani Mehra,^a Priyanka Tiwari,^a Anindya Basu^b and Anita DuttKonar^{*ab}

Correction for 'In search of bioinspired hydrogels from amphiphilic peptides: a template for nanoparticle stabilization for the sustained release of anticancer drugs' by Radha Rani Mehra *et al.*, *New J. Chem.*, 2019, **43**, 11666–11678.

The authors would like to correct Fig. 9, as this figure is incorrect in the published article. The correct Fig. 9 is shown below.

Fig. 9 (A) Proteolytic stability study of the hydrogelators I–III, after treatment with the proteolytic enzyme proteinase K; (B) dose-dependant cell viability measurement employing the MTT assay using the cell line HEK293.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
