Correction for 'High performing AgNW transparent conducting electrodes with a sheet resistance of $2.5 \Omega \text{ Sq}^{-1}$ based upon a roll-to-roll compatible post-processing technique' by D. Kumar et al., *Nanoscale*, 2019, DOI: 10.1039/c8nr07974a.

The authors of this article have noticed that the institutions for affiliations b and c were incorrectly swapped in the originally published article. This correction therefore includes the corrected affiliation list.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
