Correction for 'Investigation of high contrast and reversible luminescence thermochromism of the quantum confined Cs<sub>4</sub>PbBr<sub>6</sub> perovskite solid' by Jong H. Kim *et al.*, *Nanoscale*, 2019, DOI: 10.1039/c8nr10223f.

The authors of this article have noticed that an incorrect affiliation was listed for Jong H. Kim (corresponding author) in the originally published article. Affiliation 'c' should have been listed for the author (Jong H. Kim) instead of affiliation 'b'. Furthermore, due to this, the E-mail address listed in affiliation 'b' should have instead been listed in affiliation 'c'. This correction therefore includes a corrected author list, E-mail list, and affiliation list.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
