Correction for 'Laser printing of optically resonant hollow crystalline carbon nanostructures from 1D and 2D metal–organic frameworks' by Leila R. Mingabudinova *et al.*, *Nanoscale*, 2019, **11**, 10155–10159.

The authors of this article wish to add an additional affiliation for the author Leila R. Mingabudinova in order to reflect where they carried out the work. The new affiliation is as follows:

International Laboratory “Solution Chemistry of Advanced Materials and Technologies” ITMO University, St. Petersburg, 197101, Russia

Please note that the affiliations of all other authors have not changed. An updated author list and list of affiliations is provided for this correction.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
