Correction for 'Conversion of landfill gas to liquid fuels through a TriFTS (tri-reforming and Fischer–Tropsch synthesis) process: a feasibility study' by Xianhui Zhao *et al.*, *Sustainable Energy Fuels*, 2019, 3, 539–549.

The authors regret a mistake in Table 3 of their manuscript, whereby line 5 should read ' H_2S 68 (ppm) <1' instead of ' H_2S_2 (ppm) 68' and line 6 should not be present so that the subsequent line reads ' CO (ppm) 6'.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
