Correction for 'Ultrasmall-sized SnS nanosheets vertically aligned on carbon microtubes for sodium-ion capacitors with high energy density' by Jing Zhao et al., J. Mater. Chem. A, 2019, 7, 4047–4054.

The authors regret an error in the description of the XRD in the published article. An erroneous JCPDS card led to a mistaken substance. On page 4049 of the published article, the text "18.91, 31.15, 36.70, 44.62, 59.09 and 64.98°" should instead have read as follows: "22.1°, 26.2°, 27.5°, 32.0°, 39.4°, 45.3° and 48.9°".

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
