Correction for 'Brønsted acid mediated covalent organic framework membranes for efficient molecular separation' by Hongjian Wang *et al.*, *J. Mater. Chem. A*, 2019, 7, 20317–20324.

The authors regret an error in the omission of the Acknowledgements section from the published article: the National Natural Science Foundation of China funding number "21409583" should in fact read "21490583".

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
