Correction for 'Applications of Raman spectroscopy in the development of cell therapies: state of the art and future perspectives' by Shreyas Rangan *et al.*, *Analyst*, 2020, DOI: 10.1039/c9an01811e.

The authors regret that incorrect details were given for ref. 120, 121 and 122 in the original article. The corrected references are given below as ref. 1, 2 and 3, respectively.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
