Correction for 'Supramolecular gels derived from nucleoside based bolaamphiphiles as a light-sensitive soft material' by Julie Baillet *et al.*, *Chem. Commun.*, 2020, **56**, 3397–3400, DOI: 10.1039/D0CC00336K.

The authors regret that a reference was omitted from the article. There should be an additional reference at the end of the following sentence on page 1 of the article: "The introduction of a propargyl unit at the N3 position under microwave conditions allowed the formation of N3-propargylthymidine **1**."¹ This additional reference is shown below as ref. 1.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
