An error in the abscissa of Fig. 3(b) was present in the published article. The abscissa should show t/s rather than $E/V(\text{RHE})$, and the correct version of Fig. 3(b) is shown below.

Fig. 3 (b) $i-t$ curves of the NRR over the GSD Au NCs in 1 mM HCl solution at different potentials.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
