Correction for 'The effects of the position of the ether oxygen atom in pyrrolidinium-based room temperature ionic liquids on their physicochemical properties' by Kazuki Yoshii *et al.*, *Phys. Chem. Chem. Phys.*, 2020, DOI: 10.1039/d0cp02662j.

The authors would like to update Fig. 4 to correct an error in the published version where the closed and open rhombus notations were reversed in Fig. 4(b). The correct version is shown below.

Fig. 4 Temperature dependence of (a) the viscosity and (b) the ionic conductivity of the RTILs; (red ○) MPPTFSA, (red ●) BMPTFSA, (blue ◇) MOMMPTFSA, (blue ◆) EOMMPTFSA and (green ■) MOEMPTFSA.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
