Correction: Equations of the state of hard sphere

fluids based on recent accurate virial coefficients

DOI: 10.1039/d0cp90244f

Correction for 'Equations of the state of hard sphere fluids based on recent accurate virial coefficients  $B_5-B_{12}$ ' by Jianxiang Tian *et al.*, *Phys. Chem. Chem. Phys.*, 2019, **21**, 13070–13077. DOI: 10.1039/C9CP02116G

On page 13075, under eqn (15) and before Section 4, the coefficient  $a_0$  is wrongly published as  $a_0 = 6.232968023$ . The correct value should be  $a_0 = 6.80859329042177$ .

This erratum does not affect the results and discussions related to eqn (15). In other words, all the results and discussions related to eqn (15) in the main text can be successfully reproduced with this correction.

The authors sincerely apologise to readers for this typo.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
