Correction: Strong light–matter interactions: a new direction within chemistry

Manuel Hertzog, Mao Wang, Jürgen Mony and Karl Börjesson*

Correction for 'Strong light–matter interactions: a new direction within chemistry' by Manuel Hertzog et al., *Chem. Soc. Rev.*, 2019, **48**, 937–961, DOI: 10.1039/C8CS00193F.

The authors regret that eqn (16) was missing a factor of $\frac{1}{2}$. The corrected equation is

$$E^\pm(k_{\parallel}) = \frac{E_C(k_{\parallel}) + E_X(k_{\parallel})}{2} \pm \frac{1}{2}\sqrt{(\hbar\Omega_R)^2 + (E_C(k_{\parallel}) - E_X(k_{\parallel}))^2}$$

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
