Expression of concern for 'Metal-free green synthesis of aryl amines in magnetized distilled water: experimental aspects and molecular dynamics simulation' by Mohammad Bakherad *et al.*, *Green Chem.*, 2020, DOI: 10.1039/D0GC01329C.

The Royal Society of Chemistry has been provided with credible information that the results presented in this *Green Chemistry* article may not be reliable. The concerns raised are under investigation. *Green Chemistry* is publishing this Expression of Concern to alert readers and this notice will be updated when a final outcome is reached.
