Correction: Continuous reactor for renewable methanol

Athanasis A. Tountas,^a Geoffrey A. Ozin^{*b} and Mohini M. Sain^{a,c}

Correction for 'Continuous reactor for renewable methanol' by Athanasis A. Tountas et al., *Green Chem.*, 2020, DOI: 10.1039/d0gc03115a.

The authors note a typographical error within Table 2. The entry for r_{MeOH} ($\text{mmol g}_{\text{cat}}^{-1} \text{ h}^{-1}$) corresponding with the T (K ($^{\circ}\text{C}$)) value of 508 (235) should be listed as 10.9. The inclusion of ‘,1’ is a typographical error and not relevant to the data presented.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
