Correction for 'Preparation of functionalized star polymer nanoparticles by RAFT polymerization and their application in positionally assembled enzymes for cascade reactions' by Zhiwu Chen *et al.*, *New J. Chem.*, 2019, **43**, 8517–8526, DOI: 10.1039/c9nj01122f.

The authors regret an error that misreported the type of Amicon filters used on line 6 of page 8524 in the first paragraph of the "Preparation and characterization of star polymer@HRP@GOx assembly" section; the correct filters are Amicon 50 kDa cutoff filters.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
