Correction for 'Comparison of bulk and microfluidic methods to monitor the phase behaviour of nanoparticles during digestion of lipid-based drug formulations using *in situ* X-ray scattering' by Ben J. Boyd *et al.*, *Soft Matter*, 2019, **15**, 9565–9578.

The authors regret that in the original paper, incorrect details were given for ref. 12, 17 and 30. The correct versions of these citations are given below as ref. 1, 2 and 3, respectively.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
