Correction for 'Poly(norbornene) anion conductive membranes: homopolymer, block copolymer and random copolymer properties and performance' by Mrinmay Mandal *et al.*, *J. Mater. Chem. A*, 2020, DOI: 10.1039/d0ta04756b.

The authors regret a typographical error in the Conclusions section of the published article. The term '3.05 mW cm<sup>-2</sup>' should instead read '3.05 W cm<sup>-2</sup>'.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
