Correction for 'A highly selective dual-therapeutic nanosystem for simultaneous anticancer and antiangiogenesis therapy' by Lizhen He *et al.*, *J. Mater. Chem. B*, 2017, **5**, 8228–8237, DOI: 10.1039/C7TB02163A.

The authors regret that incorrect images were used in Fig. 1d and h (electron microscopic images and N 1s spectrum of RGD@Se-MSNs) and Fig. 7c (H&E staining images of major organs from HepG-2 xenograft nude mice) in the original version of the manuscript. The corrected Fig. 1 and 7 are shown below. The captions remain the same.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
