Correction for 'Efficient and rapid direct transesterification reactions of cellulose with isopropenyl acetate in ionic liquids' by Ryohei Kakuchi *et al.*, *RSC Adv.*, 2015, 5, 72071–72074.

The structure of cellulose depicted in the Graphical Abstract (now updated) and Scheme 1 were incorrect. The correct version of Scheme 1 is shown below:

Scheme 1 Schematic representation of the transesterification reaction of cellulose in EmimOAc with EmimOAc as a solvent and an activating reagent.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
