Correction for 'A line-broadening free real-time  $^{31}\text{P}$  pure shift NMR method for phosphometabolomic analysis' by Karl Kristjan Kaup *et al.*, *Analyst*, 2021, **146**, 5502–5507, DOI: 10.1039/D1AN01198G.

The authors regret the omission of a funding acknowledgement in the original article. The corrected acknowledgements are given below.

The authors acknowledge financial support from the personal research grant PSG11, PRG1035, the mobility grant MOBTP51 and institutional funding scheme IUT23-1 of the Estonian Research Council, as well as from the Center of Excellence TK134 of the Archimedes Foundation. The authors are grateful to Cambridge Isotope Laboratories, Inc. for their support with  $\text{H}_2^{18}\text{O}$  and  $\text{D}_2\text{O}$ . NMR work was carried out using the instrumentation at the Estonian Center of Analytical Chemistry (<http://www.akki.ee>).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
