Correction for 'Intrinsic defect formation and the effect of transition metal doping on transport properties in a ductile thermoelectric material  $\alpha$ -Ag<sub>2</sub>S: a first-principles study' by Ho Ngoc Nam *et al.*, *Phys. Chem. Chem. Phys.*, 2021, DOI: 10.1039/d0cp06624a.

The published version of this manuscript included errors in eqn (8). The correct equation is shown below.

$$\mu_S \leq \mu_S^{\text{bulk}} + \Delta\mu_S$$

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
