Correction for 'Role of defective states in MgO nanoparticles on the photophysical properties and photostability of MEH-PPV/MgO nanocomposite' by Sangeetha Ashok Kumar *et al.*, *Phys. Chem. Chem. Phys.*, 2021, **23**, 22804–22816, DOI: 10.1039/d1cp03035c.

The published version of this manuscript included errors in the citation for ref. 37. The correct version of ref. 37 is given below as ref. 1.

Additionally, the authors regret the inclusion of an error in the author affiliations in the original manuscript. The corrected affiliation for this paper is as shown above.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
