Correction for 'Fluorescent glycoconjugates and their applications' by Baptiste Thomas *et al.*, *Chem. Soc. Rev.*, 2020, **49**, 593–641, DOI: 10.1039/C8CS00118A.

The authors regret that there were some incorrect structures in the original article. In Fig. 3 (and in Table 1, entry 1), the triazole ring was incorrect in the top right part of the molecule. In Fig. 4, the triazole ring was incorrect in the top right part of the molecule. In Fig. 15 (and in Table 1, entry 2), the spacer arm was incorrect. In Table 1, entry 13, the linker arm and mannose unit were incorrect. The corrected figures and table entries are shown below.
