Correction: A framework ensemble facilitates high Pt utilization in a low Pt loading fuel cell

Jian Wang,^a Guangping Wu,^a Wenhui Xuan,^a Lishan Peng,^a Yong Feng,^b Wei Ding,^{*a} Li Li,^{*a} Qiang Liao^c and Zidong Wei^{*a}

Correction for 'A framework ensemble facilitates high Pt utilization in a low Pt loading fuel cell' by Jian Wang *et al.*, *Catal. Sci. Technol.*, 2021, DOI: 10.1039/d1cy00028d.

The authors regret an error for three of the grant numbers in the Acknowledgements section. The Acknowledgements section should read as follows:

This work was financially supported by the National Key Research and Development Program of China (2020YFB1506001), the National Natural Science Foundation of China (Grant No. 91834301, 22022502, 21761162015, and 21776024), and the opening Project of State Key Laboratory of Advanced Chemical Power Sources (SKL-ACPS-C-30).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
