The authors regret that an incorrect compound name for H₄BP was published in their original manuscript. The correct compound name is 5,5'-di-*tert*-butyl-3,3',4,4'-tetrahydroxybiphenyl in place of 4,4'-bis(3-*tert*-butyl-1,2-catechol).

The authors apologise sincerely to readers for the error.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
