Correction for 'Performance and limits of 2.0 eV bandgap $CuInGaS_2$ solar absorber integrated with CdS buffer on $F:SnO_2$ substrate for multijunction photovoltaic and photoelectrochemical water splitting devices' by Nicolas Gaillard *et al.*, *Mater. Adv.*, 2021, DOI: 10.1039/D1MA00570G.

The authors regret that there was an omission in the acknowledgements section of the original manuscript.

The full and corrected acknowledgements section should read as follows:

This work was funded by the U.S. Department of Energy under contract DE-EE0008085. This work was authored in part by the National Renewable Energy Laboratory, operated by Alliance for Sustainable Energy, LLC, for the U.S. Department of Energy (DOE) under Contract No. DE-AC36-08GO28308. Part of the work was performed under the auspices of the US Department of Energy by Lawrence Livermore National Laboratory under contract no. DE-AC52-07NA27344. Funding provided by the U.S. Department of Energy, Office of Energy Efficiency and Renewable Energy, Hydrogen and Fuel Cell Technology Office. The views expressed in the article do not necessarily represent the views of the DOE or the U.S. Government. The U.S. Government retains and the publisher, by accepting the article for publication, acknowledges that the U.S. Government retains a nonexclusive, paid-up, irrevocable, worldwide license to publish or reproduce the published form of this work, or allow others to do so, for U.S. Government purposes.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
