The authors regret that the funding information in the Acknowledgements section of the original article was incorrectly shown. The correct funding information is as follows:

The present research was financially supported by: (iii) the European Union's Horizon 2020 research and innovation programme under the Marie Skłodowska-Curie grant no. 847413 and PMW programme of the Minister of Science and Higher Education in the years 2020–2024 no. 5005/H2020-MSCA-COFUND/2019/2.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
