Correction for ' $\alpha$ -Diimine nickel complexes bearing axially bulky terphenyl and equatorially bulky dibenzobarrelene groups: synthesis, characterization and olefin polymerization studies' by Xiaohua Wang *et al.*, *Polym. Chem.*, 2020, **11**, 6783–6793, DOI: 10.1039/D0PY01152E.

The authors regret that the  $M_w$  value  $174.8 \times 10^4$  was incorrectly written as  $174.8 \times 10^5$  in the abstract and in the conclusions section on page 6789, and as  $174.8 \times 10^7$  on page 6784.  $174.8 \times 10^4$  is the correct value.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
