Correction for 'Insights into the chiral sulfide/selenide-catalyzed electrophilic carbothiolation of alkynes: mechanism and origin of axial chirality' by Qiao-Yu Zhang *et al.*, *Org. Chem. Front.*, 2021, **8**, 1983–1990, DOI: 10.1039/D1QO00036E.

The authors regret that the units of Laplacian values, $\nabla^2\rho$, were incorrectly given as $\text{e}\text{\AA}^{-3}$ rather than 10^{-1} a.u.

This error does not affect the conclusions of the work.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
