Correction for 'Complexing agent study via computational chemistry for environmentally friendly silver electrodeposition and the application of a silver deposit' by Anmin Liu *et al.*, *RSC Adv.*, 2014, **4**, 40930–40940, DOI: 10.1039/C4RA05869K.

The authors apologize for Fig. 7 being incorrectly shown in the original manuscript. The corrected figure is shown as follows.

Fig. 7 SEM images of the top views of silver deposits obtained from the silver electroplating bath introduced in this work, (a) 5000 times magnification (b) 100 000 times magnification.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
