Correction for 'Cobalt-catalyzed, directed arylation of C–H bonds in *N*-aryl pyrazoles' by Tung T. Nguyen et al., RSC Adv., 2021, **11**, 9349–9352, DOI: 10.1039/D1RA00975C.

The authors regret that due to a typing error in the manuscript, the compound  $Ce(SO_4)_2$  was written as  $CeSO_4$ . All mentions of  $CeSO_4$  in the paper and ESI should be read as the commercially available cerium(IV) sulfate,  $Ce(SO_4)_2$ . The conclusions of the paper have not been affected.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
