 Correction for 'An indenocarbazole-based host material for solution processable green phosphorescent organic light emitting diodes' by Eun Young Park *et al.*, *RSC Adv.*, 2021, 11, 29115–29123. DOI: 10.1039/D1RA04855D.

The authors regret that an incorrect version of Fig. 1 was included in the original article. The correct version of Fig. 1 is presented below.

Fig. 1 HOMO, LUMO distributions and energy level of PCIC predicted through DFT and TD-DFT calculations.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
