## Correction: The influence of additives on polymer matrix mobility and the glass transition

Jeffrey DeFelice and Jane E. G. Lipson\*

Correction for 'The influence of additives on polymer matrix mobility and the glass transition' by Jeffrey DeFelice *et al.*, *Soft Matter*, 2021, **17**, 376–387. DOI: 10.1039/D0SM01634A.

The authors regret the omission of funding information from the Acknowledgments of the original article. The correct Acknowledgments are as shown below.

The authors gratefully acknowledge financial support from the National Science Foundation (DMR-1403757 and DMR-1708542 and DMR-2006504) to J. E. G. L. and J. D. from the Graduate Assistance in Areas of National Need (GAANN). J. E. G. L. also acknowledges the Radcliffe Institute for Advanced Study at Harvard University.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
