Correction: Hemorheology: the critical role of flow type in blood viscosity measurements

Elahe Javadi and Safa Jamali*

Correction for 'Hemorheology: the critical role of flow type in blood viscosity measurements' by Elahe Javadi *et al.*, *Soft Matter*, 2021, **17**, 8446–8458, DOI: 10.1039/D1SM00856K.

We regret that in the original manuscript, several of the references (ref. 4, 6, 15 and 23) were listed incorrectly. The corrected references are listed below as ref. 1–4.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
