Correction for 'Semiconducting polymer contributes favorably to the Seebeck coefficient in multi-component, high-performance n-type thermoelectric nanocomposites' by Junhui Tang *et al.*, *J. Mater. Chem. A*, 2020, 8, 9797–9805, DOI: 10.1039/d0ta02388d.

The authors regret that the funding information was incorrectly shown in the Acknowledgements section of the original manuscript.

The corrected funding Acknowledgements are as shown below.

This work was sponsored by the International Cooperation Project of Ministry of Science and Technology (MOST) under grant no. 2017YFE0107800 (Z. L., L. C., and G. B.) and the National Natural Science Foundation of China (NSFC) under grant no. 51673044 (Z. L.).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
