Correction: Enhanced 1.54 µm luminescence of a perfluorinated erbium complex sensitized by perfluorinated Pt(II) and Zn(II) phthalocyanines with 980 nm emission

Hongfei Li, ab Xiaoqi Liu, Chen Lyu, Feng Ma, t Huanging Ye, Peter. B. Wyatt and William P. Gillin*a

DOI: 10.1039/d1tc90007b

rsc.li/materials-c

Correction for 'Enhanced 1.54 µm luminescence of a perfluorinated erbium complex sensitized by perfluorinated Pt(II) and Zn(III) phthalocyanines with 980 nm emission' by Hongfei Li et al., J. Mater. Chem. C, 2021, DOI: 10.1039/d0tc05301e.

The authors regret that in the published article the first author, Hongfei Li, was incorrectly marked with an asterisk indicating them as the corresponding author for this work; the correct corresponding authors are Feng Ma, Huanqing Ye and William P. Gillin. In addition, the e-mail address for Feng Ma (mafontune@sina.com.cn) was omitted; and the email address of William P. Gillin was incorrectly given as w.gillin@qmul.ac.ul whereas it should read w.gillin@qmul.ac.uk. All of the corrected details are shown here.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
