Correction for 'Space-charge accumulation and band bending at conductive P3HT/PDIF-CN<sub>2</sub> interfaces investigated by scanning-Kelvin probe microscopy' by Federico Chianese *et al.*, *J. Mater. Chem. C*, 2021, DOI: 10.1039/d1tc04840f.

The authors wish to correct an error in eqn (2) in the published article. The correct form of eqn (2) is as follows:

$$N(t') = -\frac{1}{e\epsilon_0\epsilon_r} \frac{\partial^2 \Phi_{\text{P3HT/PDIF}}}{\partial t'^2} \quad (2)$$

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
