Correction: Encapsulating bacteria in alginate-based electrospun nanofibers

Emily Diep and Jessica D. Schiffman*

Correction for 'Encapsulating bacteria in alginate-based electrospun nanofibers' by Emily Diep *et al.*, *Biomater. Sci.*, 2021, **9**, 4364–4373, DOI: 10.1039/D0BM02205E.

The authors regret the use of incorrect labelling to describe alginate within the Introduction of the manuscript.

On page 4365, the phrase “Alginate – linear copolymers of β -(1–4) linked D-mannuronic acid and β -(1–4)-linked L-guluronic acid units –” should be replaced by “Alginate – linear copolymers of β -(1–4) linked D-mannuronic acid and α -(1–4)-linked L-guluronic acid units –”.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
