Correction for 'Synthesis of glycerolipids containing simple linear acyl chains or aromatic rings and evaluation of their Mincle signaling activity' by Takanori Matsumaru *et al.*, *Chem. Commun.*, 2019, **55**, 711–714, DOI: 10.1039/C8CC07322H.

The authors regret that the structures of brartemicin and compounds **6a** and **b** presented in Fig. 2 of the article were incorrect. The correct structures are depicted below. In addition, explanations of the R' groups have been added below each compound.

Fig. 2 (A) Synthesis of **2a–2e**, (B) the structure of brartemicin, and (C) synthesis of **5a** and **b** and **8a** and **b**.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
