Correction for 'Synthesis of glycerolipids containing simple linear acyl chains or aromatic rings and evaluation of their Mincle signaling activity' by Takanori Matsumaru et al., Chem. Commun., 2019, 55, 711-714, DOI: 10.1039/C8CC07322H

The authors regret that the structures of brartemicin and compounds 6a and b presented in Fig. 2 of the article were incorrect. The correct structures are depicted below. In addition, explanations of the R' groups have been added below each compound.

Fig. 2 (A) Synthesis of 2a-2e, (B) the structure of brartemicin, and (C) synthesis of 5a and b and 8a and b
